A series of Salk Polio Clinics were held at the Community Center. Miss Elizabeth Carriel, R. N., State Health Nurse, was in charge of the Clinics. Dr. Thomas O'Connor and Dr. John Doyle of Hinsdale were the attending physicians.

Miss Grais Churchill, R. N., of Hinsdale and Mrs. Nellie Blicher, R. N., of Winchester assisted the local nurse.

Mrs. Elizabeth Baker, Mrs. Emily Thompson, Mrs. Agnes Grupe and Mrs. Dorothy Swett did the clerical work. At these clinics 517 children received the vaccine.

Two children from town attended the Mental Hygiene Clinics in Keene.

On May 1, Mrs. Gracia Toof, Miss Grais Churchill, R. N., and I attended the N. H. Social Welfare Meeting in Manchester. The subject of the meeting was "The Retarded Child."

Mrs. Nellie Blicher, R. N., was the substitute nurse during vacation periods.

The Well Baby Clinics are held the third Thursday of the month at the Nurse's Office.

In closing I wish to thank all who in any way have helped with the work of the Association.

Respectfully submitted,

PRISCILLA S. GLOECKLER, R. N.

Report of the School Nurse

FOR 1956

Visits to schools	601
Home visits	97
Heights and weights	540
Vision tests	555
First aid	174
To Doctor's Office	2
Exclusions	42

Dr. Thomas O'Connor, the school physician, completed the physical examinations in September. The defects found are listed below.

Pupils examined	532
Defects:	
Eyes	2
Tonsils and Adenoids	16
Teeth	29
Cardiac	1

During the spring term many children were excluded from school because of German measles.

Several children had to be sent home with impetigo as the state law does not permit them to attend school with this skin condition.

May I stress again the importance of pre-school vaccination; again this is a state law which we must enforce.

The general health of the pupils in the Winchester Schools seems improved this year and with the parents' help may we continue to attain a good record.

Most of the children with visual defects have their glasses, which as we know is a very important factor in helping in their school work.

I wish to thank Mr. Lees, the principals and the teachers for their interest in the Health Problems of our schools.

Respectfully submitted,

PRISCILLA S. GLOECKLER, R. N.
School Nurse-Teacher

Report of Winchester History Committee

The Winchester History Committee would like to report that the typing of the text for the History has been completed. We hope, before many weeks, that this will be in the hands of a historian for alterations and approval. The Genealogical data will go to the typist soon.

536 new books were added during the year.

Several book displays appropriate to the month were placed on the Main Desk. April—books on fishing and other outdoor activities. May and June — books on all phases of gardening and seed catalogs. December—Christmas literature.

November 25 to December 1 featured the Annual Book Week display. New books for both adults and children were shown.

From August 9th to September 4th the Library was closed for the purpose of refinishing the floors. This has made a decided improvement in the appearance of the interior.

The Library is open on Tuesdays and Thursdays from 2-5, 7-8 P.M. and on Saturdays from 2-8 P.M. How about making a New Year's Resolution now, to visit your Public Library? We are open to serve YOU.

Auditors' Report

Board of Selectmen

Winchester, New Hampshire

Gentlemen:

The Auditors are pleased to submit herewith the report of their audit and examination of the accounts of the Town of Winchester for the fiscal year ending December 31, 1956.

Our audit included the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Departments, Overseer of Poor, Library Treasurer, Trustees of Trust Funds, and Municipal Court.

We wish to quote from our letter of instructions from the State Tax Commission, Division of Municipal Accounting, as to the two fundamental purposes of auditing.

"First: to determine whether all revenues to which the Town is entitled have been collected and turned in to the Treasurer, or properly verified as outstanding accounts.

Second: To determine whether all payments have been properly authorized and are in settlement of legitimate accounts."

To accomplish this we have compared vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of records; and checked receipts by source insofar as possible.

Book balances at the close of the year were verified by reconciling the officials' cash book balance with bank balances, and uncollected taxes were verified by mailing notices approved by the State Tax Commission to a majority of the delinquent taxpayers as indicated by the collector's books.

The books of all Town officials which we examined were

found to be in very excellent condition, and we are pleased to note several suggestions of previous years being carried out.

We do bring to your attention the total over-draft of \$13,110.80 on the Summer and Winter Maintenance accounts, and suggest the Selectmen undertake better control of these two accounts. Over-drafts on all other accounts were small or accounted for.

Please refer to the various reports and statements of the Town Officers for the financial condition of the Town.

We wish to thank all the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Respectfully submitted,

ARNOLD B. CONWAY

ROBERT A. SCHAUFUS

HERBERT A. TAYLOR

Report of the Planning Board

Several meetings of the Town Planning Board have been held this past year. A number of town problems have been discussed and considered.

We are not presenting any new projects as it is thought our present tax rate was high enough.

We of the Planning Board did work along with our Selectmen in making sure the new television tower would be located in Winchester.

We have not come up with any suggestions for a good zoning system as yet.

We are in favor of water extensions when possible.

We want to see our town progress and will do what we

Community Center Report

I hereby submit the annual report of the Ellen Lambert Murphy Memorial Community Center recreation program for children and adults.

Your Community Center and the Red Cross cooperated in a learn-to-swim program which reached 52 children. The Red Cross provided the instructress, Nadine Jones, and your Community Center through the help of volunteers provided the transportation to Forest Lake. Your Community Center also cooperated with the Little League Committee: Mr. Wesson Taylor, Mr. Richard Durkee, Mr. Burche Hodgman, Mr. Leo Staples, Mr. Ray Tacy and coach, Mr. Albert Winget, to form a team of 23 boys in Winchester and a team of 11 boys in Ashuelot. The Winchester team played 14 games and the Ashuelot team played 10 games. The wading pool was open and supervised.

Starting in September there was a Saturday morning playground for children 5 to 12; 118 children registered. The Junior High football program was scheduled for three times a week, and there were 18 boys active in the group. This same group of boys was carried over into a winter bowling program with good attendance. A bowling program was established for the Junior and Senior High girls. The high school boys have formed a regular bowling league of four teams with six men on a team and are having a successful season. The bowling alleys have been used to capacity this fall with the V. F. W. Men's league on Monday nights; Women's League, Tuesday nights; Hinsdale Men's League, Wednesday nights; High School Boys' League and Tannery League, Thursday nights; and open bowling, Friday nights. The ice rink at your Community Center was at last successful and has served approximately 700 people in a two weeks' period. Lights were provided by the Kiwanis.

The Tiger's Den (Teen-age canteen in the new rumpus room) now has 26 members and has had an average weekly attendance of 25. The Tiger's Den is a place for the high school students to meet every Wednesday night to dance and play games. I anticipate another night being set aside with similar activities for the Junior High group in the near future.

Special activities at your Community Center have included three Halloween Parties and a Christmas holiday program. In cooperation with the Kiwanis, your Community Center was able to give three Hallowe'en Parties serving some 300 people from toddlers up through high school age. The Christmas holiday program included such events as a Christmas decoration display, Christmas story time, making one's own Christmas cards, decorating the Christmas tree, the town Christmas tree lighting, free movies and trips through some of Winchester's industries.

It is worth noting, I think, that in the first three weeks of the year 1957 the facilities of your Community Center have been used by 2,058 people. This figure does not include the school classes held at the Center.

Respectfully submitted,

GALE ALEXANDER

Direct Aid and Soldiers' Aid

In addition to the above surplus foods have been distributed and many calls made to investigate cases of need and action thereon.
 The amount spent on D A and S A in 1956 was considerably less than the previous year due to more work, calling for less relief and also due to the fact that amounts paid for medical cases were less than in 1955.

Respectfully submitted,

MRS. CHARLOTTE DUSTAN

Overseer of the Poor

Report of Health Officer

During this past year there have been a small number of cases of communicable disease among the children, reported to me. These cases included Scarlet Fever, Whooping Cough, Measles, Infectious Mononucleosis and Venereal Disease.

The quarantine cases were cared for and the other cases reported to health centers affected.

The Health Officer has many and sundry duties.

The past year two horses that died were buried by this department with the aid of the Highway Department.

My duties have covered Ashuelot, Brattleboro, Keene and Winchester and in the placement of children I have contacted the State and County where necessary.

Wells and springs have been inspected and water has been tested for pollution with reports made to owners, advising the proper procedure.

Septic tanks and dry wells have been examined as to new locations.

Complaints regarding pigs in a neighborhood were checked and found in order.

Owing to complaints because of noise and unclean and unhealthy conditions resulting from numerous dogs in a home action was taken and the occupant and dogs evacuated.

There is still much to be done in preventing rubbish from being thrown into the river and on the river bank. I hope to see the day when the people of our town will cooperate in this matter making it the clean and beautiful town it could be.

In June your Health Officer attended the New England Health Institute at the University of N. H. in Durham. This was a three day conference and the First General Session was held on Tuesday morning, June 12 in New Hampshire Hall. The sessions were divided into eight groups, each group having a special interest in a specific field. I took part in the discussions of Group IV which included Health Officers, Hospital Administrators and Business Managers. The subject was "Problems in Case of Disaster." The leader was Dr. Robert E. Archibald, Mass. Public Health, and there were four resource persons. Dr. Francis Gallup of Connecticut answered many questions and gave information as to procedures in times of flood, fire and other emergencies, applying his own experience during the last flood which covered a large part of Connecticut.

Governor Lane Dwinnell was the main speaker at the close of business and banquet the third day.

Respectfully submitted,

MRS. CHARLOTTE DUSTAN

Health Officer

School Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the twelfth day of March, 1957, at 3 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.

7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

8. To see if the district will vote to continue the present School Planning Committee and enlarge it to eight members by the addition of three parents selected by the Executive Committee of the Parent Teachers Association; this committee to work with the school board in furthering the study of the problem of school housing for Winchester and report its findings at the next annual or special meeting.

9. To see if the district will vote to instruct the above planning committee to investigate the possibility of forming a cooperative school district with adjoining towns and report its findings at the next annual or special meeting.

10. To see if the district will authorize the School Board to lease a portion of the premises on Gun Mountain, held by the District in Trust, to the Springfield Broadcasting Corporation of Springfield as a site for a television station, the Board to be empowered to fix the terms and conditions of said lease, and to obtain authorization from the Superior Court for such a lease.

11. To see if the district will raise and appropriate the sum of nine hundred twenty-five dollars (\$925.00) for the purpose of painting the exterior of Thayer High School.

12. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational

purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies:

13. To see if the district will vote to raise and appropriate a sum not to exceed \$4,500.00 (forty-five hundred dollars) to the playground at the Ashuelot School or take any other action relating thereto.

(Inserted by Petition)

14. To see if the school district will vote to increase the school board from three to six members.

(Inserted by Petition)

15. To see if the School District will raise and appropriate a sum not to exceed \$4,500.00 (forty-five hundred dollars) to re-establish the Vocational Agriculture Course at Thayer High School, said sum to be reduced by the amount reimbursed by the Federal Government under the provisions of the Smith-Hughes Vocational Education Program.

(Inserted by Petition)

Given under our hands at said Winchester, this fifteenth day of February, 1957.

REPORT OF AN EXAMINATION AND AUDIT
of the accounts of
THE WINCHESTER SCHOOL DISTRICT
for the fiscal year ended June 30, 1956
made by The Division of Municipal Accounting,
State Tax Commission — August 30, 1956

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 12, 1956

The School Board
Winchester School District
Winchester, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Winchester School District for the fiscal year ended June 30, 1956, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1955 and June 30, 1956, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$5,383.09 during the fiscal year ended June 30, 1956.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

**Comparative Statements of Appropriations and Expenditures
—Estimated and Actual Revenues: (Exhibits C and D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended

June 30, 1956, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$352.17, plus a net unexpended balance of appropriations of \$30.92, resulted in a net budget surplus of \$383.09.

Summary of Receipts and Expenditures: (Exhibit E-1)

A summary of receipts and expenditures for the fiscal year ended June 30, 1956, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance, as of June 30, 1956, is indicated in Exhibit E-2.

Statement of Bonded Debt: (Exhibit F)

A statement of the bonded indebtedness of the School District as of June 30, 1956, showing annual debt service requirements, is contained in Exhibit F.

Conclusion:

The accounts and records were found to be in good condition and the financial and accounting procedures conformed to prescribed methods.

The provisions of Chapter 184 of the Laws of 1955, require that this report or a summary of the findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Winchester School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

JOSEPH W. BOUDREAU, Auditor

HUGH J. CASSIDY, Accountant

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Winchester School District for the

fiscal year ended June 30, 1956, and found them to be in good order.

In our opinion, the Exhibits included herewith reflect the true financial condition of the Winchester School District as of June 30, 1956, together with the results of the financial transactions of the District during the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director

Division of Municipal Accounting

State Tax Commission

In the industrial arts department, Mr. Croteau has expanded the curriculum especially in auto mechanics. A motor donated by Johnny's Sales and Service Garage has been a tremendous help in giving the boys practical experience in this field. New automobile tools and equipment have been purchased.

The shop class has completed another bleacher for basketball, which brings the number to four. The PTA contributed generously to this project.

Several new band members have made the grade and have been accepted into the band by Mr. Zimmer, band director.

A Christmas concert was given by the music department and an operetta is being planned for the spring.

There are 45 members in the band and 66 members in the chorus.

The following have been chosen for All-State organizations.

The commercial department has continued to make progress. The electric typewriter has been added and is proving a valuable remedial-teaching device as well as providing training in electric typing. The increased demand for a knowledge of machines causes us to hope that an automatic rotary calculator will be the next piece of equipment added to the department.

With the help of the English department, the Thayer Revue has been improved. Color has been added and greater accuracy stressed. The last three issues have been complete sell-outs.

One of the highlights in the social studies department was the participation of the senior history class in the model Council of Europe sponsored by Keene Teachers College. Experiences in leadership, aside from the evaluated content, made this an extremely worth-while project.

In the spring the French class prepared and served tea to the teachers. The scene represented a French cafe and tea was served by the students in costume. Everyone was requested to speak only French. This presented an added op-

portunity for the students to use conversational French. We hope to make it a yearly affair.

Before the close of the year, the Latin and French classes held a luncheon where settings, food, and conversation were in keeping with the country.

Donna-Jean McNamara, senior, was selected to represent our school in the DAR good citizenship contest.

As a matter of record a summary of the 1956 commencement program and a list of graduates follows:

Report of Superintendent of Schools

To the School Board and Citizens of Winchester:

I have the honor to submit my tenth annual report.

STAFF CHANGES: There are two new teachers this year at Thayer High School. Mr. Arthur T. Coogan, supervisor of music for the past two years, resigned to accept a similar position in Rhode Island. His position was filled by the election of Mr. Marvin S. Zimmer who holds both the Bachelor's Degree and the Master's Degree from Ithaca College. Due to increasing enrollments at the high school level, an additional teacher was needed, particularly in the junior high school area. Mrs. Eileen B. Little, teacher in the sixth grade at the Center School, was elected to the new high school position.

There were several changes at the Center School. Mrs. Grace E. Ingham, former first grade teacher, assumed the duties of teaching the sixth grade. Mrs. Mary M. Gline, a graduate of Keene Teachers College, became the new first grade teacher. Upon the resignation of Mrs. Juliana A. Hooper, Mrs. Eleanor C. Graham was elected to teach one of the groups at the Community Center. Mrs. Graham is a graduate of Keene Teachers College and has had teaching experience in Bow and Alstead, New Hampshire.

There were no changes in personnel at the Ashuelot School.

BUILDINGS AND GROUNDS: Thayer High School. During the summer months, Mr. Monroe painted the walls of three of the upstairs rooms from the chair rail down. The kitchen for the hot lunch program was given two coats of paint. Mr. Monroe is now making a cabinet for the Home Economics room.

An article for painting the exterior of Thayer High School is being inserted in this year's warrant. It is essential that the building be kept in as good a condition as possible.

Center School. Mr. Horton sanded and refinished two classroom floors during the summer vacation . He also painted the fence around the school grounds, thereby improving its appearance immensely and contributing to its maintenance. Skids on the desks and chairs of two classrooms were applied to provide more flexibility in their use. The basement and lunchroom floors were painted.

Ashuelot School. Considerable painting was done by Mr. Freeman at the Ashuelot School. The cafeteria was given two coats of paint. In the two hallways, the ceilings and bottom borders were painted. The floors and side walls of the boys' and girls' basements and the boiler room were painted. The roofs over the two side entrances were given a coat of aluminum paint to preserve them.

Mr. Freeman also covered five tables in the cafeteria with linoleum according to the recommendations by the State Department of Health.

The roof above the front entrance of the school was repaired and the railing taken down as a safety precaution.

As was stated in last year's report, long-range planning for Winchester's future school needs is essential. The above table indicates that in the school year 1958-59, grades 1, 3, 4 and 6 at the Center School will have enrollments in excess of 40 pupils. This means that we will need at least three rooms outside of Center School for relief. One more room besides the two rooms now in use at the Community Center will have to be found.

The housing of the elementary grades continues to be Winchester's problem. September of 1958 is not far distant. Plans should be formulated now to take care of the anticipated increase in enrollments.

The Winchester School Board and the Winchester School Planning Committee are cognizant of the problem and have held a number of meetings in attempting to arrive at its solution. Meetings have been held with similar groups from surrounding communities which have their own school problems.

The possibility of a cooperative high school with these communities has been considered. If such a high school should be built, our present high school building could be converted to elementary school use.

The probability of a cooperative high school being built in this area in the immediate future appears to be remote at the moment. Yet, September of 1958 is the immediate future if time is to be allowed for sound planning. Winchester cannot wait too long if the elementary pupils are to be adequately housed. Unless there is assurance of a cooperative high school in the not too distant future, Winchester should, perhaps, be thinking in terms of a new elementary school. To wait indefinitely for a cooperative high school, something which may not materialize, would be denying the elementary school children their right to modern school facilities.

The Center School building is not getting any younger or newer. It is not large enough for our needs. The people of Winchester are surely aware that its safety factors are not acceptable according to today's standards. Most certainly, the elementary school problem in Winchester needs immediate attention. I am confident that the citizens of this community will recognize the challenge confronting them and will face up to it accordingly.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Board and the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES
